April 25, 2019

He is risen. He is truly Risen! Spring is here and the snow is finally melting.

- Enrollment is underway for the 2019-2020 school year. Parents, please help the new principal when announced, and Mrs. Bjorgo, by re-enrolling your student now before school is out, and summer plans take priority. It is very important to get enrollment set so we can order adequate books, materials, and supplies for all staff and classrooms.
- Enrollment is not finalized until FACTS Tuition Payment Plans are set up also. Cathedral requests that families utilize the online payment system for tuition payments. There will not be personnel in the parish office to process tuition payments after this school year.
- Families applying for tuition assistance will be considered placed on a class list when their tuition assistance application is submitted for processing. Families are encouraged to apply for tuition assistance if circumstances have changed with the family that would impact their situations here at Cathedral.
- Speaking of summer plans, there is more information included in this Thursday folder about tickets and ordering information for *Cathedral Night at Target Field*. The game is July 20, 2019.

Important dates for May – Track Meet, Thursday, May 9,
Spring Concert, Tuesday, May 14
Kindergarten Graduation, Friday, May 17
Sixth Grade Graduation, Friday, May 24

In faith,

Patricia Jones,

Principal

Our Cathedral School family creates an environment where faith, family, and knowledge shine.
